@starletlexy

Alex Gulino is a New Jersey based photographer and three-time author. Focusing her photography primarily on abandoned locations and landscapes, Alex has picked up her camera in the name of adventure.

Alex's photography has been featured in numerous publications and various venues around New Jersey and New York. Her latest book – Jersey City: The Real Chilltown – was released in spring 2023. When she isn't busy shooting abandoned locations, you can find her in the outdoors, where she feels most at home.
